MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Meeting of President's Board of Consultants,
25 April 1958

1. This memorandum is for information only and reports the latest information available on the meeting of the President's Board on 25 April.

2. The Board will be primarily interested in a status report on action taken on the Baker Committee recommendations. They undoubtedly also will be interested in any further actions taken on Board recommendations, particularly Recommendation #2 of 24 October 1957 (combination of IAC and USCIB). I understand that the Board will also hear from Gen. Sanford on the Baker Committee Report, and will receive reports from Gen. Null and Adm. Connelly on their recent trips.
